

SCARSDALE COMMUNITY
BAPTIST NURSERY SCHOOL

Dear Parents,

I am so excited that summer is right around the corner and we are preparing for summer camp.

We offer an engaging, nurturing and fun-filled program in our air-conditioned, bright, and sunny facilities. Through our weekly thematic units such as, beach week, dinosaur week, and space week, children will be inspired by and partake in crafts, science projects, and so much more. Our camp includes lots of outside play, water and sprinkler play, as well as play in our state of the art, airconditioned gym.

Camp is run daily from 9 to 11:30. Campers are to bring their own nut free snack and water bottle.

Attached is the Summer Camp Schedule and Rates.

Some notes** Space is limited and on a first come first serve basis.

Full payment is due with registration form.

Due to Limited space, we can NOT hold a spot without payment.

We can NOT make any changes or add any weeks after Registering.

We do not reimburse or do make-up days for missed camp days

If you have any question, please see me.

Thank you

Dina Bove, MS. Ed
